

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 232 – HB 918

March 4, 2017

SUMMARY OF BILL: Requires the State Board of Education (SBOE) to create an endorsement in computer science for all teachers who hold a valid license pursuant to Tenn. Code Ann. § 49-1-302 and demonstrate sufficient content knowledge in the course material.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Based on the information provided by the SBOE, the creation of an endorsement in computer science would require educators to be tested in the computer science subject area, and such tests already exist.
- The SBOE would be required to amend its rules and policies under the provisions of this legislation, and would perform such duties during its normal course of business and operations. Any fiscal impact to state or local government is estimated to be not significant and can be accommodated within existing resources without an additional appropriation or a reduced reversion.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
